PENALTY AREAS – RULE 17

Penalty areas are defined by either red stakes or yellow stakes. When a player's ball is in a penalty area, including when it is known or virtually certain to be in a penalty area even though not found, the player may take relief using one of the options under Rule 17.1d.

Penalty areas surrounding the 15th and 17th greens on the Old Course
Where wooden sleepers bound the Old course 15th & 17th greens, the penalty area edge of the sleepers defines the margin of the penalty area. The sleepers themselves are not in the penalty area. If a ball has crossed the line of sleepers it is in the penalty area with relief using one of the options under Rule 17 or by playing a ball from the dropping zone which is marked by a blue stake.

If a ball comes to rest on the sleepers or on the green side of the sleepers it is not in the penalty area and remains in the general area. It therefore must be played as it lies unless the position of the ball is such that the sleepers become immovable obstructions in which case abnormal ground conditions Rule 16.1b will apply.

LOOSE IMPEDIMENTS – RULE 15

The dung of a bird or other animal is a loose impediment. A loose impediment may be removed without penalty anywhere on or off the course, and may be removed in any way (such as using your hand or foot or a club or other equipment). Rule 15.1b.

THE DRIVING RANGE

The driving range to the right of the 1st hole defined by a fence is a no play zone.

If a player's ball crosses the boundary of the fence or the player's stance and intended line of swing is impeded by the fence, the player must take free relief under Rule 16.1f.

PROTECTION OF YOUNG TREES

Young trees identified by a stake are no play zones

If a player's ball lies anywhere on the course other than in a penalty area and it lies on or touches such a tree or such a tree interferes with the player's stance or area of intended swing, the player must take free relief under Rule 16.1f.
