

GET READY FOR YOUR CLOSEUP

At Planet Hollywood, we want to add some big screen excitement to your stay. Making you feel like a star is what we are all about, and we'll give you the red-carpet treatment when we help rejuvenate your mind, body and spirit at the PH Spa.

From the ambiance to the decor, we set the stage for a completely holistic experience. From deep immersive therapies to gentle soothing massages, our team of professionals use all their knowledge and experience to deliver a truly star-worthy experience.

Our treatments feature celebrity-favorite Eminence Organic Skin Care products that are as gentle on your body as they are on the environment and will leave you feeling ready for the big screen!

PURE HOLLYWOOD WATER THERAPY MENU

Water is the essence of life. At the PH Spa, we use water in all its forms to heal you inside and out. Hydrotherapy is widely known to reduce muscle tension and relieve pain, rehabilitate injured muscles, detoxify and relieve stress.

RAIN

Soak your stress away with three different water treatments using alternating temperatures and sensations.

STEAM

Step into the steam room and ease into vitality. Step into the steam room and feel your stress ease away. The steam will help regulate your breathing and cleanse your lymphatic system for vibrant, glowing skin.

HEAT

Turn up the heat with our traditional sauna promoting increased circulation to help relax muscles and soothe aches and pains.

DIP

Step into our water treatment pool set to body temperature and enjoy an invigorating massage from the hydrotherapy jets that both stimulates and relaxes the body.

COLD

Cool down between heat treatments with an ice shower, gently cascading crushed ice over your body. Increased circulation will tighten pores to lock in the benefits from your treatments.

QUIET ON THE SET

Sages through the ages have extolled the virtues of silence and its calming effects on the mind and its ability to relax the body. Mornings at the PH Spa are earmarked for quiet and we encourage silence for absolute tranquility.

HOLLYWOOD CONFIDENTIAL

LOCAL EARTH TREATMENT MENU

Hollywood has long been the keeper of great beauty secrets. At the PH Spa, our experts take that history and combine it with natural elements that have been used for generations to create treatments that deliver wellness and vitality to your body.

BALANCE | 120 MIN

The flow of energy is fundamental in creating balance. Experience an intuitive holistic treatment led by one of our therapists that will soothe and heal. Treatment includes a Warm Sea Salt Foot Soak treatment with simultaneous sound therapy, followed by a body polish to hydrate your skin. Finish with a bamboo face massage topped off with a soothing and repairing guava moisturizer.

HOLLYWOOD ILLUMINATI

EXFOLIATING TREATMENT MENU

Let your inner light shine! Our scrubs use a super fine mineral salt to exfoliate dead skin cells, leaving skin feeling silky and hydrated. Finish off with a soothing application of luxurious lotion that will leave you as soft as velvet rope.

THE PASSION AND THE FRUITY | 30 MIN

A rich blueberry scrub delivers a truly unique sensory experience. It's fluffy lather removes impurities and toxins while healing tropical fruit extracts are quickly absorbed by the skin. You'll emerge smooth to the touch with a radiant glow.

THAT'S A WRAP!

LUXE BODY WRAP MENU

Our luxe body wrap treatments combine the cleansing properties of mineral-rich waters with the restorative effects of natural ingredients to deliver exceptionally silky-smooth and radiant skin. Afterwards, you will be anointed with a soothing scented lotion that leaves you feeling renewed and revitalized. As a gift to you after your treatment, bring home a loofah to keep your skin healthy at home!

STAGE DOOR HONEY AND HERBAL INFUSION WRAP | 50 MIN

This enchanting wrap helps increase the appearance of skin elasticity. Paprika and stinging nettle help stimulate and energize skin. Afterwards, a healing and hydrating honey lotion is applied for a red carpet ready glow.

HOLLYWOOD BODY

MASSAGE TREATMENT MENU

Our professionally trained massage therapists will have you at hello. Their strong, supple hands – firm enough to coax a wayward tendon into position, yet soft enough to soothe tired muscles – can work magic with your body. Choose from an array of massage treatments designed to strengthen the body, calm the mind and soothe the soul.

FEATURETTE | 25 MIN

This targeted treatment focuses on the most stressed-out part of your body. Using citrus and mint essential oils to improve mobility.

FEATURETTE LENGTH | 50/80 MIN

This full body treatment uses Swedish massage techniques and gentle pressure with a soothing and hydrating balm. Incorporating passive, active and fluid movements, this pampering treatment includes a pressure point facial massage and soft neck stretches.

SURROUND SOUND | 50/80 MIN

Sink into relaxation with this holistic treatment. You'll be bathed in a sea of sound offering healing vibrations. Specially-sourced stones will be placed on key pressure points while essential oils are gently massaged onto the skin to relieve deep muscle tension and deliver a feeling of vitality.

AYURVEDA

Ayurveda medicine is a 5,000-year-old healing system that originated in India. The name in Sanskrit refers to the "science of life". These treatments are designed to promote health and harmony in the body, assist in skin cell rejuvenation, improve circulation, release energy blockages, and dissolve stress.

AYURVEDIC MASSAGE | 80 MIN

This treatment contains detoxification and rejuvenation therapies. This includes herbal balls and marma face points. A divine experience that leave your body and spirit in harmony.

CLEANSE | 120 MIN

This body cleansing ritual is designed to nourish, hydrate and protect the skin. Peloids are used in combination with seawater and herbal mud for a deep penetrating massage and wrap using heated compresses. The treatment ends with a reviving hair mask.

THE FRED & COCONUT APRICOT | 30 MIN

The lively notes of the coconut body wash with the playful and nourishing warm apricot oils will leave your skin hydrated and your body totally relaxed. You'll be in heaven.

DJANGO MANGO | 50 MIN

Celebrate your body with this ethereal combination of mango and other organic nutrients. This rich wrap will leave your skin soft and your body feeling refreshed and invigorated.

MULHOLLAND MEMORIES | 80 MIN

Spoiler alert! You will be spoiled. Allow our Spa Sommeliers to help you craft your massage to your specific needs. Choose from one of five luxurious botanical blends, Relax, Revitalize, Hydrate, Energize or Detox, that will leave your mind, body and soul in perfect harmony.

BLOCKBUSTER | 50/80 MIN

Treatment designed to relieve tension and stress that can accumulate in the back, face, scalp and feet. The therapeutic technique in combination with hot stones on the back, flows through the muscle fibers, relieving accumulated stress on the back, neck and shoulders. In addition, facial pressure is performed, neck lift and a balm of eucalyptus, rosemary and mint is applied to the feet with a reflexology massage

THE NEW RELEASE | 50/80 MIN

This restorative massage releases deep tension while detoxifying the body. A combination of deep tissue massage, penetrating muscle compression and cross-fiber friction increases blood and lymphatic circulation. You can also opt for localized cryotherapy treatment.
