

## So you have decided to have a Destination Wedding... Ready to Wed at Royalton Grenada?

### *Wedding and Event Policies and Procedures*

We know... “another piece of paper to sign?” ... but to make sure we are all on the same page from day one, we’ve established the following policies and procedures to help guide you with your wedding decisions. It’s our #1 priority to make your experience over the coming months to be an amazing and memorable one. So, please read through our policies and procedures so we can offer you the highest quality service.

#### **Wedding Date Possibilities:**

- ✓ Weddings are scheduled seven days a week, Monday through Sunday. Please note that we cannot hold weddings on National holidays, and should you unknowingly select one of these dates, your wedding coordinator will advise you immediately to pick the next best option.
- ✓ For Sundays, we can only perform symbolic ceremonies and an extra fee of \$200 USD will be applicable.
- ✓ Please note that in order to best serve you and to ensure everything is ready, we require you to arrive 2 days in advance of your ceremony for **symbolic** weddings.
- ✓ If you are hosting a **legal** ceremony, you will be required to arrive 3 FULL BUSINESS DAYS prior to the wedding date before applying for the wedding license at the ministry – wedding license takes two to three working days to be processed (which included stamp fee, license fee, registration search fee and certificate. After the license has been issued couples are able to have their ceremony. Please note that public holidays do not count as a business day.
- ✓ For symbolic weddings, the start time is up to you (as long as it is available)! The latest ceremony start time will be 5:00pm, but depending on the time of year and sun set, we recommend 4:00pm.
- ✓ Wedding dates cannot be held and are available first come, first served. To secure your date, we will require a \$500 USD non-refundable deposit along with this document signed and sealed!

#### **Day Passes and Visiting Guests:**

- ✓ Yes, we welcome your guests staying off site to join in on your celebrations! The more the merrier. But we require that at least 75% of your wedding group be guests of the host hotel.
- ✓ Here’s how it works: all non-hotel guests must purchase a “Day Pass” to enter the hotel. These passes are valid for a maximum of 8 hours, and said guests can arrive up to one (1) hour prior to event and should leave directly following its conclusion. Remember, we need to calculate non-hotel guests into the final head count of all private events. You may even want to pay for these passes in advance, which you can easily coordinate with your wedding planner. Requests for last minute day passes must be made through the hotel wedding coordinator. And remember (this one’s important!), these guests will be required to present ID upon check in at the hotel to be welcomed.

#### **Eating, Drinking and Merriments:**

Here are some important rules about our food and beverage policies:

- ✓ PLEASE do not bring or arrange for outside food or beverage to be brought into the hotel. For so many reasons, including the health and safety of all guests, we need to be 100% in charge of your food.

- ✓ 60 days before your wedding means A LOT to us. Here's what needs to be finalized by that date (we are warning you WAY in advance, so we don't have to say, "we told you so!"):
  - All private events (including location)
  - Menu selections (including food and beverage)
  - Special menu requests such as vegetarian meals, kid's meals or dietary restrictions (give us notice, we're happy to accommodate!)
  - Final guest count. If your guaranteed count is not received, your estimated attendance will become your minimum charge. If the number of guest exceeds your minimum guaranteed count, you will be charged for the actual number of guests that attended your event. Remember, meals are charged on a per person basis (so don't forget to feed your vendors too!).

As mentioned, this gives us ample time to make sure everything will be in place as promised. If you make changes after 45 days, it may be subject to a surcharge. We will not be sticklers but it's our job to help you get organized well in advance.

- ✓ Semi-Private Dinner: The semi-private dinner in our Luxury package is a 3-course meal. If you would like to add extra courses, additional fees may apply. This dinner will require a set menu that your wedding coordinator will help you with. Please note that due to ensuring our kitchens and staff can serve your wedding group efficiently, one consistent set menu is required for your group. If your group has any food restrictions or allergies, kindly let us know and they will most certainly be accommodated!
- ✓ Private cocktail parties: Appetizers are allotted per person based on selection and not replenished (unless you order more!). Private cocktail parties will be set with three (3) high cocktail tables. If selecting the Refined or Exclusive Package, both these packages include a cocktail hour.
- ✓ Private dinner parties: All of our private dinners will be accompanied by a number of hours of open bar service as outlined in our Private Event Guide. Our Refined & Exclusive packages already include a private reception. Our standard table set up is round tables that seat eight (8) persons with white linens and white folded garden chairs (unless we make different plans, of course). Please note that if you are adding on a private reception a la carte, a location fee, menu fee and open bar fee will be required. Not to worry, your wedding coordinator will provide you with all these costs – just reach out to her if you have not done so already!
- ✓ You want to freeze your cake? Well... due to strict health codes, food that is left at the end of the function may not be removed from the event area, including wedding cake. This will attract bugs to your room and travelling with cake might not work out as well as you are hoping. We recommend taking some pictures of the cake for your memories.

### **Locations:**

- ✓ To exchange your vows, we are pleased to offer the Beach Gazebo, Beach and Garden (lake view). Kindly note that the only Gazebo is located on the beach and not at the garden. Please note that our ceremony locations are not completely private and we do our best to keep hotel guests "away" while you say your 'I do's'.
- ✓ Semi-Private Dinner location: Our Luxury wedding package includes a semi-private dinner at one of our selected restaurants. Location is determined based on your guest size and availability, but we will do our best to give you your first choice! The semi-private dinner start time is 6:00pm.
- ✓ Private event locations include our Beach, Ballroom, Garden (Lake Side), Terrace and Grazie restaurant. Please speak with your wedding coordinator about the costs. Outdoor events can go as late as 11:00pm, to ensure that our other guests are not disturbed by the sound of all that partying you will be doing. Events in the ballroom can be held until 2:00AM, however additional fees will apply.

- ✓ For private events at the Ballroom, there is an additional \$1000 USD fee and for private events at the Grazie restaurant, there is an additional \$1500 USD fee.
- ✓ For all private events, open bar service is required for the entire duration of the event.
- ✓ Preferred locations are not guaranteed until your date is booked and locations are secured directly with your wedding planner.
- ✓ All locations are subject to availability.

**Event Set-up:**

- ✓ Décor: If you're hosting an event in one of our existing restaurants, we cannot alter the décor or music (particularly if there are other hotel guests dining, and it's a semi-private event).
- ✓ What happens if we plan for 20 and then you bring 60 guests? In this case, the hotel reserves the right to change your function's location in the event the guaranteed count of your guest is modified. On the day of the event, any changes to the set-up configuration are subject to a \$5.00 USD per person set-up fee. Such surprises can lead to unnecessary last minute stress.
- ✓ Like it or not, there are other guests staying at the hotel (yes, you might not notice them because you're busy having the best time ever.) For this reason, all private outdoor events must finish by 23:00 hrs (11:00pm). This ensures that everyone is happy! Not to worry – head over to the disco to continue the party!
- ✓ We know that you have been planning this wedding since you were five and that you might have some decor already set aside that you would just love to bring. We encourage clients to do so and would be happy to help with the setup! Please note that anything brought from home might incur a setup fee that will be determined in destination during your consultation meeting with our onsite coordinator. Our onsite teams are not responsible for the collection of items you have brought to the hotel. If it is something that you wish to keep, please ensure that you assign someone from your wedding group to collect at the end of the night. The hotel is not responsible for these items. **Please note that local vendors, beyond our exclusive vendors, may not be used for décor or floral.**
- ✓ Please note that string lights and hanging lanterns **may not** be brought from home. If you would like to add these items, they would have to be rented through the resort's décor vendor.
- ✓ Please note that shipping of wedding décor or items you wish to have setup in advance is not permitted. Unfortunately we just do not have the storage space to hold all those beautiful items, nor is the hotel liable for their safety from theft or destruction due to weather conditions. We would never want a bride to arrive to a bad start – use your bridal party and spread out that décor!

**Plan B:** *(Yes...we have to talk about it!)*

- ✓ Unfortunately, from time to time we are faced with a bout of bad weather – rest assured we always have a backup plan! To ensure that bad weather does not affect your function, the hotel will make a weather call four (4) hours prior to your event. At that time the hotel will approach you with a Weather Channel Webpage print out to decide if your function will be held in the pre-determined location or moved to an appropriate venue that will guarantee full coverage. The Bride and/or Groom will sign off on the new plan to ensure that everyone has been made aware of their options, and the final decision has been made by you, our clients. Once the decision has been made, setup at the new location will begin and cannot be changed after this.

- ✓ Please note, that in extreme weather conditions, the hotel staff will be forced to make the call to relocate the event to the pre-determined back up location for the safety of all guests and the Bride and Groom.
- ✓ Private outdoor functions that need to be relocated due to weather will be moved to the ballroom based on availability, another indoor location or special arrangements can be made at additional charge. Every attempt will be made to execute the event according to the original plan but that cannot be guaranteed. As we are not Mother Nature and this would be at no fault of ours, **no refunds will be given on any unused portion of the event including optional amenities that cannot be used due to weather related relocations. Unfortunately these are rented through our external vendors and are brought to be setup either way.**
- ✓ In case of an abrupt and unforeseen weather transformation the starting time of your function is subject to change to provide a reasonable time frame to assure proper set-up in a new location.

### Looking to use your own Vendor?

- ✓ There's lots of talk about "outside vendors" so let us clear the air for you. Outside photographers and videographers will be allowed onsite, but required to pay for a vendor pass of \$450 USD per service/per day. If you require your outside photographer and/or videographer to be on property for more than one day, an additional outside vendor pass must be purchased at the applicable rate for them to be allowed on property. The hotel reserves the right to deny access to the property to any unauthorized photographer or videographer. Please note that this fee will allow a maximum of two (2) employees from the vendor you have hired on property to perform the services. Any additional people required to enter the property will be charged a day pass fee to enter. This fee will be waived if your photographer or videographer is staying at the hotel for 3 or more nights per wedding.
- ✓ If you would like to use your own DJ, stylist or entertainment, a \$450 USD outside vendor fee per service/per day will apply to allow them on property. If you require your outside DJ, stylist or entertainment to be on property for more than one day, an additional outside vendor pass must be purchased at the applicable rate for them to be allowed on property. Please note that this fee will allow a maximum of two (2) employees from the vendor you have hired on property to perform the services. Any additional people required to enter the property will be charged a day pass fee to enter. This fee will be waived if your vendor(s) is staying at the hotel for 3 or more nights per wedding.
- ✓ Unfortunately, we do not allow outside décor vendors or florists on property.
- ✓ Each vendor fee will include a maximum of 2 vendor meals based on the menu selection for the wedding at \$0 additional cost. Additional vendor meals can be purchased at 50% of the meal price.
- ✓ If you are bringing in your own outside photographer/videographer, please note that that drones are not permitted on property.
- ✓ Important: if outside vendors are not disclosed to your wedding coordinator, and you are found in breach of our vendor's policy outlined above, there will be a penalty charged by the resort in destination. Penalty fees are set in place by hotel management and are non-negotiable. The vendors will be turned away and not permitted on property.

### Security

- ✓ We're always looking out for the best interests and safety of everyone (it's our job!). We reserve the right to inspect and control all private parties, meetings and receptions, and to limit the noise volume out of consideration for the other guests (put yourself in someone else's shoes for a moment. I know it's hard to

do when planning your own wedding, but we have to!). We want you to have a great party, and certainly don't want to impose on your fun, but we play friends to all of our guests equally! Also, the hotel will not assume responsibility for loss or damage of any merchandise or articles left in the hotel prior to or following any event.

**Payment Information**

- ✓ A \$500 USD non-refundable deposit is required to secure and hold your wedding date with us. This \$500 USD deposit is used towards your final payment and package selection.
