The group wedding coordinator will apply for the marriage license from the Jamaican government, who will in turn issue the certificate once the ceremony, has taken place. The minister will give you a temporary certificate following the ceremony; this certificate will not allow you to update name on documents, rather you must wait for the official certificate.

Approximately 14-16 weeks following the ceremony the resort will forward your marriage certificate (2 copies) to you. Marriage certificates can be expedited at an additional cost of \$85 USD for the USA and \$110 USD for other countries. If interested, this must be requested and paid for prior to your arrival at the resort. It should take about 5-7 business days to receive it in the USA. If you would like to obtain extra copies of your marriage certificate, you can do so at \$25 USD each. Please advise your wedding coordinator.

MARRIAGE LEGAL STANDING IN THE USA & COMMONWEALTH

Marriages performed in and according to the laws of Jamaica are legally valid in the United States and Commonwealth countries. It is not usually necessary to register your marriage in your respective state; it should be sufficient to present your Jamaican marriage certificate as needed for name changes etc. For more specific questions, please contact the Office of the Attorney General in your state.

MARRIAGE LEGAL STANDING IN EUROPE

It is not required for British citizens to have an additional certification of their marriage. For citizens of Germany, Belgium and Italy, an extra certification (\$100 USD fee) is necessary. We are required to forward the marriage certificate to the Foreign Affairs Office and the respective consular offices of both countries. This process may delay the receipt of the marriage certificate.
