

TURBO THE TURTLE™

We've got a new member of our team and he can't wait to meet you on your next getaway to Royalton Luxury Resorts!

Introducing **Turbo the Turtle™**. Born right here on the beaches of our resort, he's come back to stay and help guide the **Seaside Summer Camp** all while keeping our younger guests entertained in the Kids Club!

He's also bringing along his knowledge from his "lost years" in the ocean to teach our future generations how important it is to take care of the world around us and what we can do in our everyday life to eliminate our own Carbon Footprint.

We can't wait to see your vacation photos with him! Share them with us using the hashtag **#TurboTheTurtle**
